## CARVER-HAWKEYE ARENA

The University of Iowa opened its award-winning Carver-Hawkeye Arena in January 1983. The 15,400-seat, oval-shaped arena is one of the finest multi-purpose facilities in the world and one of the 25 largest university-owned arenas in America. It is the largest volleyball facility in the Big Ten and boasts a top 30 national attendance ranking each year.

Twenty-eight years after it first opened, Carver-Hawkeye Arena was the beneficiary of a \$47 million revitalization project. The renovation and addition included a multi-court practice complex, state of the art 12,000-square foot strength and conditioning center, and new locker rooms for the Iowa volleyball program.

The renovation also included a drop-down curtain in the arena bowl designed to create an intimate atmosphere during Iowa volleyball matches. The capacity with the curtains dropped is 8,715 — larger than any volleyball facility in the Big Ten.

The extensive renovation complemented the new scoreboard and video walls installed inside the arena prior to the 2006 season. The state of the art equipment features two video walls with live action and instant replay capabilities. The scoreboards at each end of the court are 48 feet in length and feature a 256 x 72 Led Matrix display area, along with the usual scoreboard display areas for scores, time remaining and team and individual statistics.

The most recent addition to Iowa volleyball's playing environment is a Taraflex Sport M Plus floor. The team received the portable flooring system in the fall of 2013. The Hawkeyes are one of six college programs to implement the floor and will compete on it for the first time against Iowa State on Sept. 21. The top of the line playing surface helps increase player safety and allows diving athletes to slide across the floor with ease. The Taraflex Sport M Plus floor has been the playing surface of Olympic volleyball since 1976.

## 2014 SEASON PREVIEW

A new era of University of Iowa volleyball is here. Since being hired on in late January, first-year head coach Bond Shymansky has been busy rebuilding the foundation of Hawkeye volleyball.

The restructure began with the addition of top caliber coaches in associate head coach Michaela Franklin, who joined the program after being a head coach at Wisconsin Green Bay for a season, and assistant coach Jackie Simpson, who was an All-American setter at Wisconsin. Both served on Shymansky's coaching staff at Marquette.

From there the staff focused on retraining student-athletes in a new, fast-paced playing system. Spring practice and exhibition matches aided the transition, giving the returning Hawkeyes valuable experience to take into summer training. The learning continued throughout fall camp.

"I think the progress you're going to see it just in the way we compete, the style we compete with, the game we'll play is a lot faster than most other big teams are going to play," Shymansky said. "It's going to have more risk elements. So there might be times where we'll have to live on both edges of the sword. Sometimes we'll be able to slice with it. Sometimes we'll get cut."

The Hawkeyes are excited and motivated in the new system. The squad -- which returns a core of talent in kills leader Alex Lovell, blocks leader Alessandra Dietz and setter Alyssa Klostermann who logged time in each match last season -- is eager to see their work come to fruition on the court.

Shymansky loves their enthusiasm.

"We're an excited group," Shymansky said. "We've made a lot of great improvements even over the course of the preseason...We have depth and we have a lot of people that are finding ways to contribute. I'm fired up."

"We have some very lofty goals within our group, but they're also realistic goals. We know that performing well in the Big Ten gives you a right to stake a claim on an NCAA berth and potentially a Final Four appearance. The ultimate goal for our program is to win the national title. A lot of that starts with what we're doing today with this group."

**BOND SHYMANSKY**  
**HEAD COACH**  
**FIRST SEASON**

University of Iowa Director of Athletics Gary Barta announced Bond Shymansky as the new head coach of the Hawkeye volleyball program on January 31, 2014. Shymansky, a UI alum and Iowa City native, is the ninth head coach of the program.

"The Big Ten is the most competitive volleyball conference in the country," Barta said. "I was thrilled when Bond agreed to lead our program. He has a strong track record as a head coach in the sport of volleyball and he has deep Iowa ties."

"This is such an unbelievable opportunity for me as an Iowa City native and Hawkeye alum. But more importantly, it's a huge opportunity as a volleyball coach to be a Hawkeye and match the level of determination, intensity, commitment and expectation that the administration and Gary Barta have for the volleyball program's future success," Shymansky said.

In his 12-years as a head coach, Shymansky has produced 24 all-conference honorees, three conference players of the year, two conference Freshman of the Year honorees, 17 AVCA All-Americans, two AVCA Region Freshman of the Year selections, and eight professional volleyball players. He has amassed a career record of 290-109 (.727).

Shymansky arrives at the University of Iowa after spending five seasons (2009-13) at the helm of the Marquette volleyball program, where he has developed a winning culture and created a postseason tradition. On his watch, the Golden Eagles earned their first NCAA berth and NCAA victory in school history in 2011, and returned to the postseason in 2012 and 2013. Marquette also won its first Big East regular season title and Big East Tournament championship in 2013.

Shymansky was instrumental in the accomplishment of many more firsts for the Marquette volleyball program. He developed 10 honorable mention All-Americans and the program's first third team All-American, helped the program accomplish its first-ever Top 25 national ranking and a No. 8 RPI rating in 2013, and signed the first top 25 ranked recruiting class in program history.

Shymansky, a two-time Big East Conference and Regional Coach of the Year, also understands the importance of academic success. The Golden Eagles posted a team grade point averages of 3.3 or higher each season of his tenure.

Before Marquette, Shymansky spent seven seasons as the head coach at Georgia Tech (2002-09), where he guided the Yellow Jackets to three NCAA Tournament appearances, including Elite Eight and Sweet Sixteen finishes, and three Atlantic Coast Conference championships. In his tenure, Georgia Tech posted an overall mark of 172-64 (.729), including a 96-38 (.716) record in ACC action, and earned No. 4 and No. 6 RPI rankings.

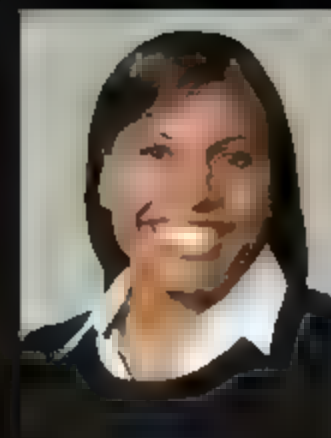

Shymansky produced a first team All-American and a three-time second team All-American at Georgia Tech, signed a Top 5 recruiting class, and was named ACC Conference and Regional Coach of the Year.

Shymansky has a deep understanding of what it means to be a Hawkeye, as he earned a Bachelor of Arts in Communications in 1995 and a Master of Arts in English Education in 1997 from the UI. From 1991-93, Shymansky was a setter and outside hitter on the UI men's volleyball club team.

He and his wife, Iowa City native Catherine (Cruikshank) Shymansky, have a daughter, Corrina, and two sons, Nicholas and Bond, Jr.

**MICHAELA FRANKLIN**  
ASSOCIATE  
HEAD COACH  
FIRST SEASON

University of Iowa volleyball head coach Bond Shymansky announced the hiring of associate head coach Michaela Franklin on Feb. 25, 2014. Franklin will serve as the recruiting coordinator and defensive coordinator for the Hawkeyes.

Franklin comes to Iowa after spending the 2013 season as the head volleyball coach at Green Bay. The Phoenix accomplished a 14-14 overall record and a 9-5 mark in Horizon League action. She had four players receive Horizon League honors at the end of the year, including three all-league selections and the conference Freshman of the Year. It was the second time in Green Bay history, and first time since 2003, that three earned all-league nods, and the first time in school history the Phoenix had a Freshman of the Year and a total of four postseason honorees.

Prior to her time at Green Bay, Franklin spent four seasons coaching alongside Shymansky as an assistant coach at Marquette. While there, she served as the team's recruiting coordinator, trained the outside hitters and was the defense coordinator. The Golden Eagles appeared in back-to-back NCAA Tournaments in 2011 and 2012, and placed second in the Big East Conference in 2012 with a 13-2 record.

Franklin began her coaching career as an assistant coach at Northern Illinois from 2006-08.

Franklin played collegiate volleyball at Kansas State from 2002-04. She helped the Wildcats to a Big 12 Championship and three NCAA Tournament appearances. The Lincoln, Neb., native graduated with a bachelor's degree in family studies and human services in 2005.

**JACKIE SIMPSON**  
ASSISTANT COACH  
FIRST SEASON

University of Iowa volleyball head coach Bond Shymansky announced the hiring of assistant coach Jackie Simpson on Feb. 25, 2014. Simpson will coordinate the offense and organize team

Simpson joins the staff after spending the 2013 season as an assistant coach at Marquette.

She helped the Golden Eagles win their first Big East regular season title with a 15-1 record, win a conference tournament championship and secure their third consecutive NCAA Tournament berth.

Before Marquette, Simpson spent two seasons as an assistant coach and camp coordinator at East Carolina.

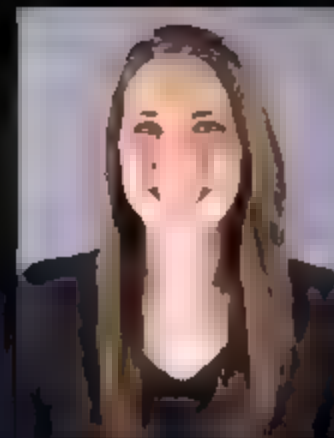

Simpson played collegiate volleyball at Wisconsin from 2004-07. The starting setter led the Badgers to the Elite Eight twice and the Sweet Sixteen once. She is a two-time AVCA All-Mideast Region honoree, two-time first team All-Big Ten selection, and an AVCA Second Team All-American. She also earned Academic All-Big Ten honors. Simpson ended her career second in Badger history and 17th all-time in the Big Ten in assists, and 12th all-time at Wisconsin in blocks.

The Downers Grove, Ill., native spent one season as an assistant coach at Winona State before continuing her volleyball career in the professional ranks in Germany and Cyprus. In Germany, Simpson was the starting setter for VC Wiesbaden.

Simpson earned a bachelor's degree in sports sociology in 2008 from Wisconsin and completed her master's degree in sports psychology in 2013 at East Carolina.

# **DANIELLE CARLSON** **DIRECTOR OF OPERATIONS** **FIRST SEASON**

Danielle Carlson was named the University of Iowa volleyball program's director of operations on June 23, 2014, as announced by UI head coach Bond Shymansky.

"I'm excited about building a program at Iowa and being a part of Bond's vision," Carlson said. "I know what he does works. It can make champions out of athletes, and we know the athletes at Iowa are great. I'm excited to be part of something new and put in the work with the coaching staff and girls. It's going to be fun."

Carlson joins the Hawkeye staff following a professional volleyball career in the Gäddede Volleyball Klub of Gäddede, Sweden. She also played collegiate volleyball for Shymansky at Marquette.

"Bringing Danielle on board completes our staff as we prepare to compete and win in the Big Ten," Shymansky said. "It's important to me as head coach to have loyal, competitive and trustworthy people in the program. That is especially important when it comes to staff. Danielle has proven and exhibited that in her career, as she played for me as a student-athlete and now has shown that as a professional player and a professional employee in the work force."

"I've always believed that Danielle can do anything. She has decided to join our staff as director of operations and she'll do that exceptionally well. It will be great to have her on board."

As a student-athlete at Marquette from 2009-12, Carlson helped the team to its first two NCAA Tournament appearances and served as team captain during her senior season. The two-time AVCA All-American also excelled in the class room, garnering Capital One Academic All-American accolades in 2012 and Big East Conference Scholar-Athlete Sport Excellence awards in 2011 and 2012. She also earned the Big East Conference Institutional Female Scholar-Athlete Award, was a Helen Woy Klinger College of Arts and Sciences Outstanding Senior Award nominee, received the Marquette University Clara Parrish Award and was a Senior CLASS Award nominee in 2013.

After graduating from Marquette with a bachelor of arts in psychology and theology, Carlson continued her volleyball career professionally for Gäddede Volleyball Klub. She competed in the Swedish Professional Elite Series League and also organized and led weekly junior high and high school volleyball clinics during her time overseas.

Carlson spent the past year working at Alexander Hamilton High School in Milwaukee, Wisconsin, as a College Possible AmeriCorps member.

#### GARY BARTA ATHLETIC DIRECTOR

Gary Barta is entering his ninth year as director of athletics at the University of Iowa and his 27th year as a university leader.

The 2014-15 athletics season at the UI will build on significant momentum gained a year ago as a result of multiple successes competitively, academically, and in positive community impact displayed by Iowa coaches, student-athletes, and administrators. Last year also included record-setting fundraising support and corporate participation, as well as the completion of facility construction projects critical to the long-term success of the Iowa Hawkeyes.

Progress and success on the fields, courts, tracks, and mats was evidenced in 2013-14 return to participation in a postseason bowl game by the Iowa football team, a return to the NCAA Tournament by the UI's men's basketball team, a 4th place national finish in wrestling, the seventh straight NCAA Tournament appearance by Iowa women's basketball, an invitation to the postseason Big Ten Tournament by the Hawkeye baseball team, postseason NCAA competition for Iowa's men's golf, and the UI's track and field men's and women's track and field teams, and a historic first time invitation to the NCAA Tournament for women's soccer highlighted the 2013-14 year competitively for the UI.

In fact, only six other programs in the country in addition to the UI had its football team appear in a New Year's Day bowl, and both its men's and women's basketball teams compete in the NCAA Tournament.

A historic success by the more than 600 student-athletes who participate in 24 sport programs has always been one of the very highest priorities at the University of Iowa and remains so today under Barta's direction. That commitment to the "student" in "student-athlete" resulted in a record-setting NCAA Graduation Success Rate (GSR) of 88, a mark that was a full seven percentage points better than the national average. The GSR's for Iowa's football (81), men's basketball (86), and women's basketball (91) all beat the national averages for their sport: 79, 68, and 86, respectively.

In addition, the NCAA's 2013 graduation report also revealed that Iowa's federal graduation rate of 72 was seven points better than its peers nationally and two points better than its peers on the UI campus. Paced by 26-time high scores in nine sports programs, all of the UI's intercollegiate athletics programs were determined by the NCAA in spring 2014 to be achieving at a rate academically that surpassed the national benchmark.

Gary also believes strongly that his staff and student-athletes contribute to the community. That commitment manifests itself in literally thousands of hours of community service annually. The Hawkeyes' efforts in 2013-14 included a leadership role in "Study on Parade," the largest public art program staged in the state of Iowa which

the UI Athletics Department executes in cooperation with the Iowa City Coralville Convention and Visitors Bureau. It is anticipated that the Parade will bring tens of thousands of visitors to the greater UI, Iowa City, Coralville, and North Liberty community this spring, summer, and fall, and a six-figure contribution to the United Way of Johnson County and the United Way of Washington County when the project is completed.

The UI Athletics Department also stages an annual "Day of Giving" each April where student-athletes of all 24 of the UI's sports teams provide assistance to a wide variety of not-for-profit organizations. The UI football program also stages annually the Iowa Ladies Football Academy. That effort has generated more than \$1 million of support for the new University of Iowa Children's Hospital.

A closer look at the 2013-14 athletics year reveals the following successes:

• Ron Raimy's Iowa women's soccer team opened its season with eight straight victories, advanced to the championship game of the 2013 Big Ten Soccer Tournament, and received the first invitation to the postseason national championship in school history. The Hawkeyes also established a school record for attendance when more than 1,500 were on hand for Iowa's 3-0 victory over Iowa State in the annual Iowa Corn Cy-Hawk Series match.

• Nick Forest's Iowa football team doubled its win total from the previous season, won three "trophy games"—the Iowa Corn Cy-Hawk Series, Floyd of Rosedale, and the Hy-Vee Heroes Game—all on the road, and ended the regular season with victories over Michigan and at Nebraska en route to an invitation to the 2014 Outback Bowl. It marked the 12th bowl game and seventh January bowl game under Forest's leadership and signaled a return to the national stage for the Hawkeyes. It also came with an extra bonus: The Hawkeyes traveled to Tampa as one of just 17 bowl-bound college football teams with a Graduation Success Rate (GSR) greater than 80 (Iowa's was 81) and as the highest ranked Big Ten team participating in a bowl game, according to GSR.

• Finn McCaffery continued his revitalization of the UI's men's basketball program by guiding the Hawkeyes to their first NCAA Tournament in seven years. The Hawkeyes won 20 or more games for the second straight season and climbed as high as 16th in the national rankings. The Hawkeyes' 2013-14 season came to an official close in June when Bryn Forbes was selected in the second round of the NBA Draft. Forbes became the first Hawkeye to be selected in the draft since Adam Haluska's selection in 2007.

• Nick Heller surprised the country by guiding the Hawkeye baseball team to 38 victories and participation in the 2014 Big Ten Baseball Tournament—in his first season as the UI's head coach. It was Iowa's first appearance in the league's postseason tournament in four years. Five Hawkeyes were named All-Big Ten and three were selected in the 2014 Major League Baseball Draft.

• Lisa Bluder's Iowa women's basketball team won a school-record-tying 27 games—including 14 on the road—in Carver-Hawkeye Arena en route to its seventh straight appearance in the

NCAA Tournament, a number that only 13 other programs across the country can match. Postseason play was particularly fun for the Hawkeyes: Iowa won three games in advance to the championship game of the 2014 Big Ten Tournament and won its first round game in NCAA Tournament play for the second straight season.

Mark Hambins' men's golf squad made it six straight postseason invitations when the Hawkeyes were sent to participate in the 2014 NCAA Regional in Columbia, Mo. The Hawkeyes advanced on the strength of a regular season that included three first-place finishes and a third-place finish at the 2014 Big Ten Conference Championship, a performance that included the low team score for the event's final round.

Tom Brands' Iowa wrestling team crowned one national champion and had six Hawkeyes earn All-American status en route to a fourth place finish at the 2014 national championship.

Long-time director of track Larry Wiccanak announced his retirement the week before Iowa sent 11 student-athletes to compete in eight different events at the 2014 NCAA Division I Track and Field Championships. The Hawkeyes responded with all earning All-America status including senior Zinnia Miller, who was honored for her efforts in the long jump and triple jump, and freshman Brittany Brown, who was honored for her success in the 200-meters and as a member of Iowa's 400-meter relay team.

The year was also busy administratively for Barta with the hiring of a new deputy director of athletics — Gene Taylor, the long-time director of athletics at North Dakota State University who began his career at the United States Naval Academy — and the hiring of Iowa City native David Szymanski to lead the UI volleyball program and another Iowa City native, Joey Woody, to fill the vacancy created by the departure of Wiccanak.

Szymanski has had tremendous success since beginning his coaching career at City High School in Iowa City, most recently as the head coach at Marquette. Woody, a four-time All-American and world champion, has played an instrumental role in Iowa's recent successes on the track as an associated head coach for track and field for the Hawkeyes.

The Hawkeyes' success academically and in competition also fueled interest in the Hawkeyes to levels matched by less than a handful of Iowa's peers. The UI is one of only four programs in the country to have its football, men's basketball, and women's basketball programs all rank among the nation's Top 25 in attendance.

Iowa also once again led the nation in attendance for wrestling and continues to rank among the leaders in Facebook and Twitter measures, and also traffic to its official world wide web site, hawkeyesports.com. In fact, 2013-14 was the busiest athletics year in the history of hawkeyesports.com in terms of unique visitors (4.3 million) and the second busiest in terms of total pages downloaded (22.8 million).

Barta has successfully leveraged the burgeoning interest in the Hawkeyes to drive fundraising and corporate support of the UI Athletics Department to record levels. Private gifts to the National I-Club for annual giving and support of capital projects exceeded \$20 million in 2013-14. Participation in the offerings of Hawkeye Sports

Properties, the exclusive multi-media partner of the UI Athletics Department, resulted in a record \$6.1 million of revenue in 2013-14.

These sources of income help Barta to fund an \$85 million annual operations budget, a budget that is 700 percent self-generated — the UI receives no state tax dollars to operate its intercollegiate athletics program — and balanced in spite of scholarship costs that will easily exceed \$10 million in 2014-15. The UI Athletics Department also is responsible for such things as medical expenses for its student-athletes (\$800,000 in 2013-14), the cost of utilities to operate its facilities (\$400,000 last year), and, of course, salaries and benefits for the more 200 full-time employees.

Barta has also used private and corporate support to enhance the infrastructure used by Iowa's sports programs. For example, the Hawkeye football program will move into the \$55 million state-of-the-art Richard B. Johnson Football Operations Building that includes the Stew and Luffere Harmon Football Performance Center in late summer. To date, more than \$35 million of private support has been generated for this important project.

Completion of the home of the nationally ranked Iowa football program will mean the UI Athletics Department will have invested more than \$220 million in construction and renovation under Barta's leadership. The list of projects completed under Barta's direction includes an investment in technology at historic Kinnick Stadium that includes a new sound system to be installed prior to the 2014 season, construction of the Hawk Family Golf Complex, the revitalization of Carver-Hawkeye Arena, construction of the P. Sue Beckwith, M.D., Poolhouse, the UI Athletics Department's contribution to the construction of the Campus Recreation and Wellness Center, replacement of the turf at Grant Field, installation of artificial turf at Duane Banks Field, and resurfacing of the outdoor courts at the Hawkeye Tennis and Recreation Complex.

The work is not complete, however. The UI Athletics Department this fall will begin installation of a new videowall, outfield fence, and artificial turf in the outfield of Duane Banks Field. Barta and his team are busy investigating the finalization of a master facilities plan that includes the expansion of "Hawkeye Campus," the current home of the Iowa field hockey and soccer programs, UI Sports Medicine, the UI Athletics Hall of Fame and Museum, a new indoor turf facility that also includes an outdoor surface to be used as the practice field for the Hawkeye Marching Band, and the Hawkeye Tennis and Recreation Complex located on the far western edge of the UI's campus adjacent to the UI's Finkbine Golf Course and near the UI's Ashton Cross Country Course.

Barta's involvement in the UI campus and the greater Iowa City communities extends far beyond his position as director of the UI's intercollegiate athletics programs. He is a member of the President's Cabinet, comprised of vice presidents and other campus leaders that provide counsel to UI President Sally Mann. That group was instrumental in the UI's response to record-setting flooding that besieged the campus and the Iowa City and Coralville community in June 2008 and will be directly involved in positioning the UI for growth in the immediate and long-term future as the institution adjusts to a shift in the funding model used by the State of Iowa's Board of Regents.

Barta also represents the UI and the Hawkeyes at the conference and national level. During his tenure at the UI, he has participated in the creation and implementation of the Big Ten Network, the expansion of the Big Ten Conference

and realignment of athletics conferences nationally, and the Big Ten's postseason bowl game agreements that were successfully implemented in 2010.

Barta remains active on the Conference and NCAA level. He is involved in committee work with NCAA Football II, the Division IA Athletic Directors Association, and is an ongoing participant in the National Association of Collegiate Directors of Athletics (NACDA).

Barta is also involved in a variety of community groups, including the United Way of Johnson County and the Partnership for Alcohol Safety, a joint effort between UI campus leaders and the city of Iowa City.

Barta often suggests to his staff that "Hope is not a strategy," which is why the Department has just completed a comprehensive review and rewriting of the strategic plan for the UI Athletics Department and continues to work with the UI's leadership on a long-term financial plan.

As the director of athletics at the University of Wyoming for three years, seven different UW coaches were named Mountain West Conference Coach of the Year. He also spearheaded a fund-raising effort that netted the Cowboy athletics program \$11 million in private support and \$11 million in matching state fund.

As the senior associate athletics director at the University of Washington, he directed the "Campaign for the Student-Athlete," was a participant in the design, construction and/or renovation of several UW athletics facilities, including Bank of America Arena and the Dempsey Indoor Practice Facility. In addition to almost doubling the amount of annual private support received by UW, Barta also managed the department's external relations division, a task that included corporate sponsorship and radio contracts.

His responsibilities at Washington expanded over time to include hiring of coaching and administrative staff, and the day-to-day oversight of several Huskie sport teams.

The roots of his development experience extend to his first two positions: director of athletics development and external relations at the University of Northern Iowa and director of development at his alma mater, North Dakota State University.

Barta earned a Bachelor of Science degree in mass communication and broadcast journalism from NDSU in 1987. He was an option quarterback for Bison Football squads that won the Division II NCAA National Championship in 1983, 1985 and 1986.

Barta, and his wife, Connie, have a son, Luke (16) and a daughter, Madison (14). He was born Sept. 4, 1963, in Minneapolis.

The facility is centrally located on the UI campus for easy access by all student-athletes and staff.

The Learning Center features an auditorium, two classrooms, study lounges for freshmen and upper-class student-athletes, a computer lab, a teaching lab, the athletic library, office space for Iowa's Academic Student Services staff and a display area to recognize the academic accomplishments of Iowa's student-athletes.

The University of Iowa volleyball team takes tremendous pride and enjoyment in its charity and community service activities.

Iowa players have been actively involved in helping the Iowa Children's Museum, University of Iowa Dance Marathon, the Ronald McDonald House and the University of Iowa Children's Hospital.

## IOWA CONTINUES TO BUILD FOR SUCCESS

The UI Department of Athletics is under the direction of Gary Barta and is regarded as one of the top intercollegiate programs in the nation. Once again, the Hawkeyes enjoyed success both athletically and academically in 2013-14.

Academically, the UI's federal graduation rate of 72 percent (for student-athletes who enrolled in the fall of 2006), meaning UI student-athletes have graduated at a rate of 70 percent or better in four of the last five years. That mark was two points better than the UI student body and seven points better than achieved by student-athletes nationally. For the fifth consecutive year, all 24 of Iowa's teams exceeded the Academic Progress Rate (APR) benchmark and the program posted a record 88 percent in the NCAA's "Graduation Success Rate." It is the eighth time in nine years of the GSR's existence that Iowa's student-athletes scored 80 percent or better.

Athletically, Hawkeye teams enjoyed another outstanding year in 2013-14, as a significant number of Iowa's 24 programs reached postseason play. The Iowa football team played in the 2014 Outback Bowl, the UI men's basketball team advanced to the NCAA Tournament for the first time since 2006, the women's basketball team competed in the NCAA Tournament for the seventh straight season and the wrestling team finished fourth at the NCAA Championships.

In March 2014, the UI rolled out the new AstroTurf infield playing surface, marking the beginning of the stadium transformation at Duane Banks Field. The project will continue this fall with the installation of turf in the outfield, a video board and new scoreboard at the facility. Iowa dedicated the 4,200-square-foot James M. Moak Family Golf Complex, a state-of-the-art golf facility in 2013, a project that came on the heels of the completion of a \$47 million revitalization of Carver-Hawkeye Arena in the summer of 2011.

After completing phase I of the project for the UI football program in August, 2012 — a new indoor practice facility — the second phase will be finished this fall. Phase II includes construction of the new Iowa Football Operations Center, which will include new team locker rooms, team meeting rooms, athletic medical training space, video operations, and coaches offices and meeting rooms. Funded entirely through private support and revenue generated by the UI Athletics Department, the project is an important next phase of the master facilities plan for Hawkeye football.

## IOWA FOOTBALL

The Iowa football team posted an 8-5 record in 2013, which included a berth in the 2014 Outback Bowl. The Hawkeyes placed second in the Big Ten's Legends Division and they were one of six BCS conference teams to improve by four victories or more from the 2012 season.

## IOWA WOMEN'S BASKETBALL

UI head coach Lisa Mulder guided the Hawkeye women's basketball team to its seventh-straight NCAA Tournament in 2013-14. The Hawkeyes advanced to the Round of 32 following an opening-round victory over Marist and finished 27-9 overall. The 27 victories were tied for the second-most in program history and were the most since 1996. Iowa is the only Big Ten team to appear in seven consecutive NCAA tournaments and one of 14 schools nationally.

*Iowa was one of seven schools nationally to have its football team play in a Jan. 1 bowl game and have both its men's and women's basketball teams reach the NCAA Tournament during the 2013-14 school year.*

## IOWA WRESTLING

The UI wrestling team — the national attendance leader in each of the last eight seasons — finished fourth at the NCAA Championships. Five Hawkeyes earned All-America accolades in 2014, including 133-pound national champion Tony Barnes and Brock St. John, who became the 18th Iowa wrestler to be a four-time All-American. Iowa has claimed 23 national championships since 1975 and 34 Big Ten titles in its history.

## IOWA WOMEN'S SOCCER

The Iowa soccer team won a school-record 15 contests in 2013, won its first two postseason games in program history en route to the championship game of the Big Ten Tournament and made the program's first-ever NCAA Tournament appearance.

## IOWA MEN'S BASKETBALL

Fourth-year head coach Fran McCaffery led Iowa to its second-straight 20-win season and guided the team to the NCAA Tournament — its first berth since 2006. Guard Roy Bivyn Marble earned first-team All-Big Ten recognition and became the first Hawkeye since 2007 to have his name called in the NBA Draft.

## IOWA MEN'S GOLF

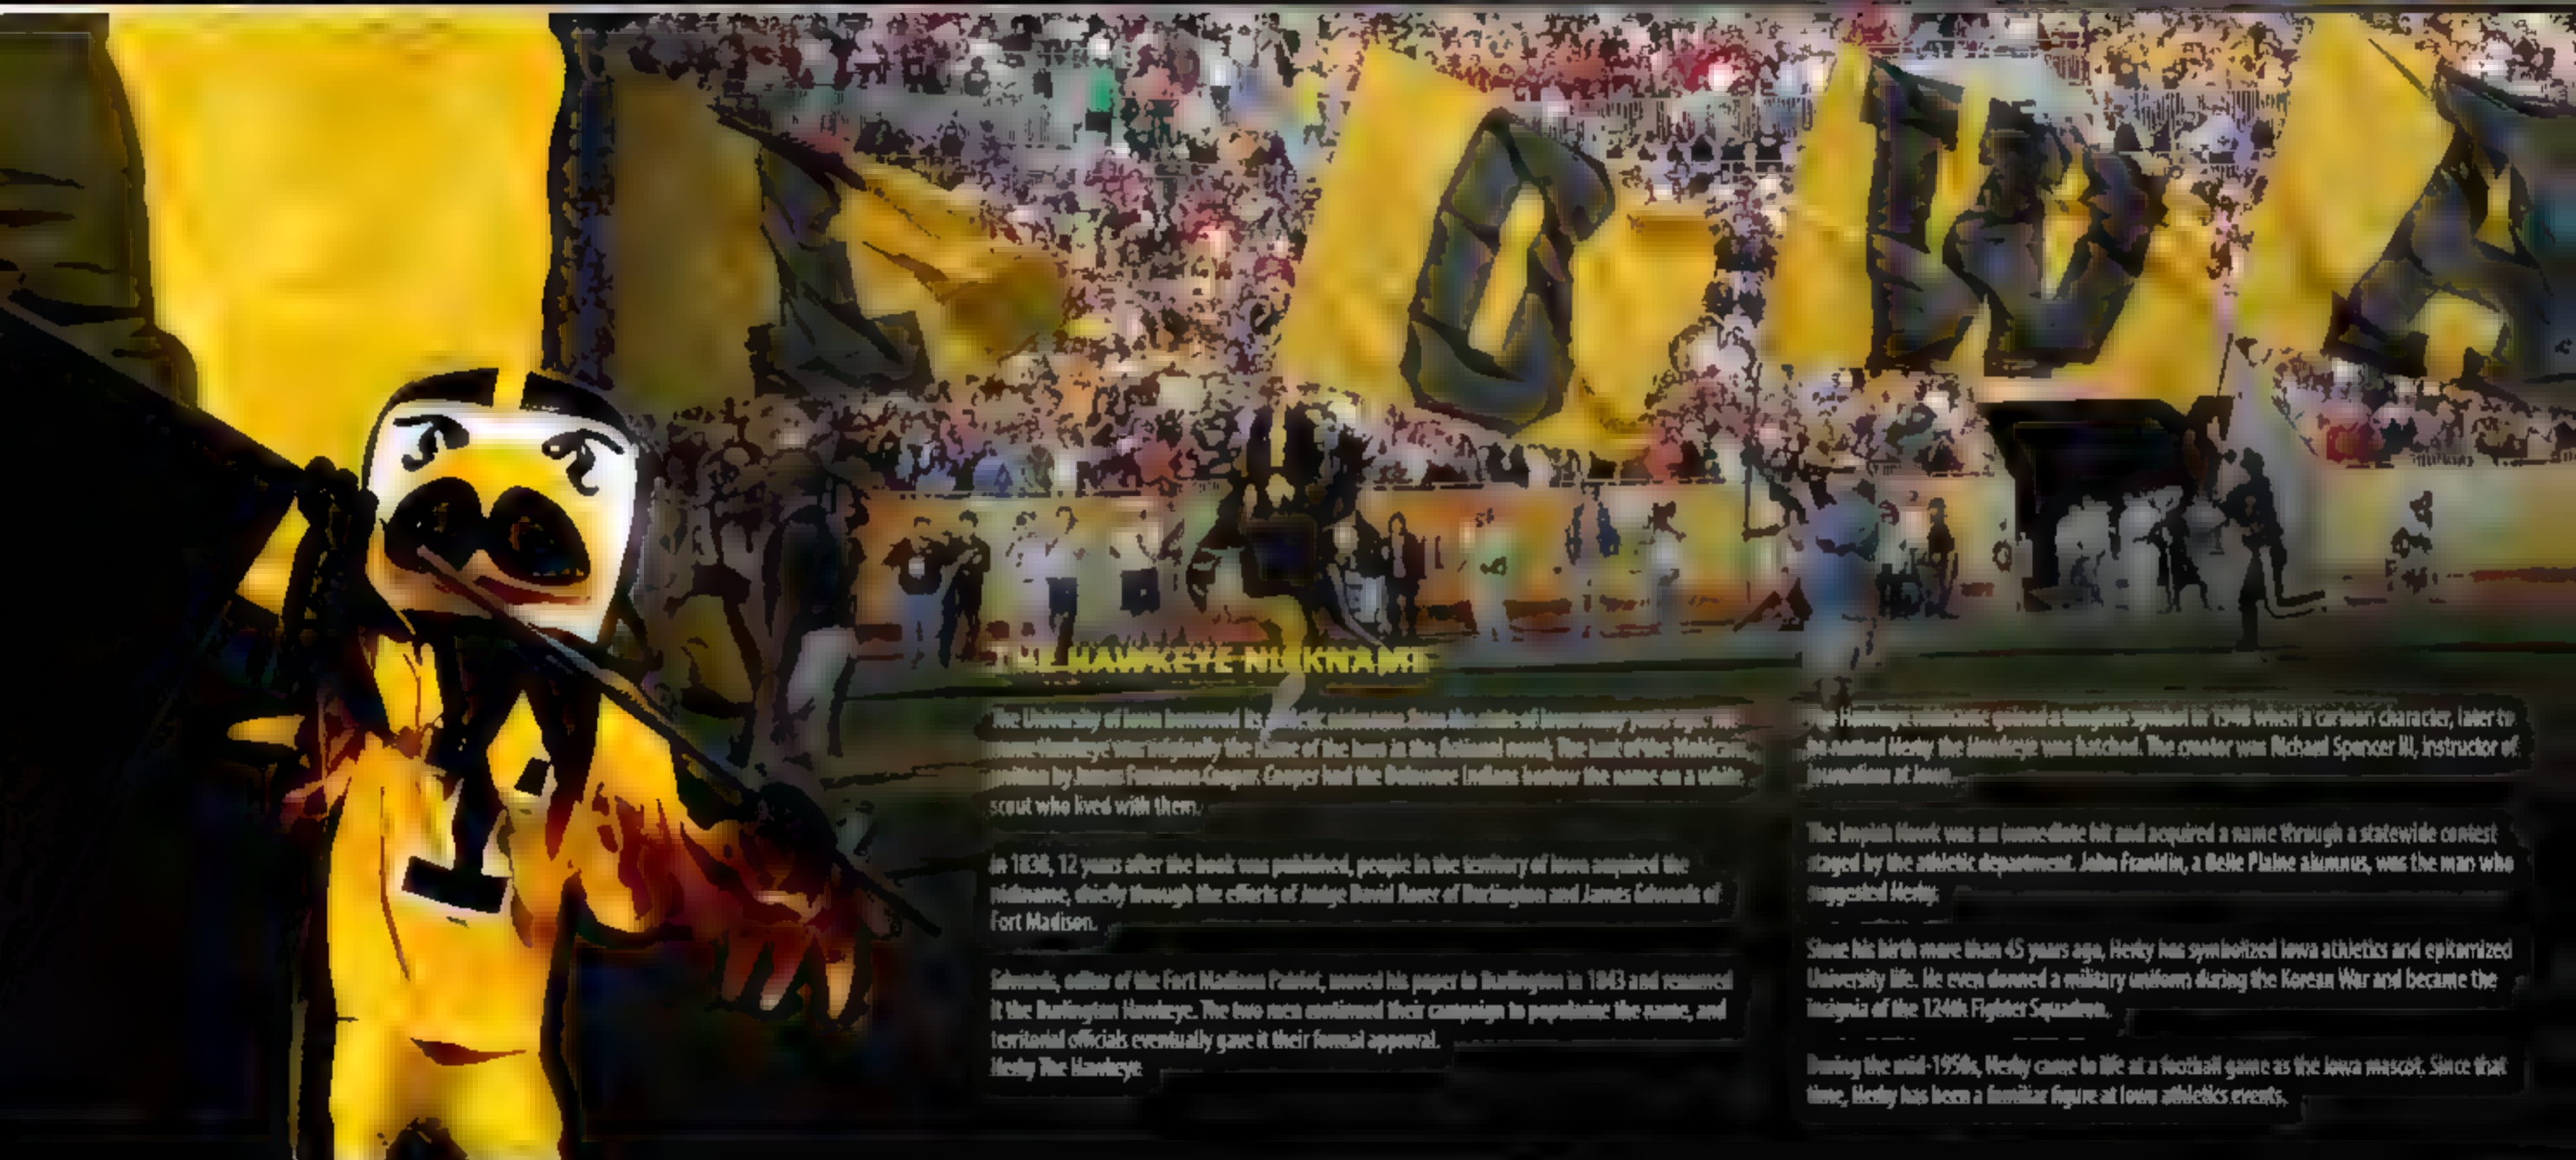

Head coach Mark Hopkins led the Hawkeyes to their sixth-straight NCAA Regional appearance in 2014 and four student-athletes garnered all-region honors. After rounding out his eligibility, Steven Ihm made his professional debut at the John Deere Classic, made the cut and tied for 27th in his first event as a professional.

## IOWA BASEBALL

The Iowa baseball team won 30 games — the most victories since 2010 — in Rick Heller's first season as head coach. The Hawkeyes advanced to and won a game in the Big Ten Tournament and had five All-Big Ten and ten NABC All-Region selections. Three players were selected in the 2014 MLB Draft.

### THE HAWKEYE NICKNAME

The University of Iowa borrowed its athletic nickname from the state of Iowa many years ago. The name Hawkeye was originally the name of the hero in the fictional novel, *The Last of the Mohicans*, written by James Fenimore Cooper. Cooper had the Delaware Indians borrow the name on a white scout who lived with them.

In 1838, 12 years after the book was published, people in the territory of Iowa acquired the nickname, chiefly through the efforts of Judge David Rice of Burlington and James Edwards of Fort Madison.

Edwards, editor of the Fort Madison Patriot, moved his paper to Burlington in 1843 and renamed it the Burlington Hawkeye. The two men continued their campaign to popularize the name, and territorial officials eventually gave it their formal approval.  
**Hercy The Hawkeye**

The Hawkeye nickname gained a tangible symbol in 1948 when a cartoon character, later to be named Hercy the Hawkeye, was hatched. The creator was Richard Spencer III, instructor of journalism at Iowa.

The Impish Hawk was an immediate hit and acquired a name through a statewide contest staged by the athletic department. John Franklin, a Belle Plaine alumnus, was the man who suggested Hercy.

Since his birth more than 45 years ago, Hercy has symbolized Iowa athletics and epitomized University life. He even donned a military uniform during the Korean War and became the insignia of the 124th Fighter Squadron.

During the mid-1950s, Hercy came to life at a football game as the Iowa mascot. Since that time, Hercy has been a familiar figure at Iowa athletics events.

The University also provides on-campus and distance learning opportunities through its division of Continuing Education.

As one of the nation's leading centers for the arts, the University of Iowa is also a leader in space physics, hydraulics, basic health and science research, and communication studies. The University of Iowa is also a leader in information management, simulation technology, and other fields.

The University of Iowa has continued its tradition as an innovator in research, particularly in speech pathology, science and medicine. The University is nationally recognized for being home of one of the nation's largest university-owned hospitals.

## Diversity at the University of Iowa

The University of Iowa has worked hard to assure that students of all races, creeds, and backgrounds are represented in the student body. In the past five years, Iowa has moved aggressively towards its goal of creating communities of African American, Hispanic/Latino (a), Asian American, and Native American students, and making the University a stimulating, welcoming place.

The Center for Diversity and Enrichment is a modified university-wide resource for creating and maintaining this campus diversity

and providing opportunities for all University students interested in other cultures. Scholarships, fellowships, and support programs help to make this possible. International Programs brings together scholars from around the world and UI students looking to expand their perspectives by studying abroad or exploring global issues on campus. International students at the University of Iowa represent more than 100 countries.

## CONSIDER THE COMMUNITY

Some universities offer the large city atmosphere. Others offer the college town experience. The University of Iowa is uniquely situated to offer student athletes the very best of both of these different worlds.

Once the state capital, Iowa City is considered one of the truly great college towns in America. The city swells with excitement on game day when nearly 16,000 Hawkeye fans from across the state and Midwest converge on Carver-Hawkeye Arena to cheer the Hawkeyes to another victory.

Iowa City's downtown area is alive and thriving. Restaurants, shops and sidewalk cafes face onto pedestrian malls full of people watchers, street entertainers and food vendors.

Attractive in size and friendliness, Iowa City is big in the sense that it offers all the advantages and conveniences of much larger metropolitan areas like summer and permanent employment opportunities, live entertainment and concerts, fine dining and shopping, industry and commerce.

Iowa City is located in the heart of eastern Iowa, within easy driving distance of several major Midwestern cities including the state capital, Des Moines, as well as Chicago, St. Louis, Omaha, Kansas City, Minneapolis and Milwaukee.

*"Iowa City is unlike any other place in the state, both because of its regional beauty and because of its independent, serendipitous spirit."*

*"There's nothing like feeling the crisp air as one tours the Big Ten campus, just as there's no other feeling like walking the shores along Lake MacBride, north of town. This is an ideal location for a weekend trip filled with sights, sounds, shopping and plenty of activities on any given weekend."*

*"If there is a star in Iowa, Iowa City is it."*

### A CAMPUS ON THE MOVE

The University of Iowa campus caters to pedestrians and bicyclists; it's compact enough to cross in a 20-minute walk. A free ride on a campus bus can cut that time in half. Entertainment on campus and in Iowa City is geared toward student budgets, with many events offered at no charge. The University of Iowa offers more than 400 student organizations, extensive recreation facilities, 50 fraternities and sororities, and a broad schedule of arts performances, lectures, cultural celebrations and club sports and intramural athletic contests to go along with the intercollegiate competition within the Big Ten Conference.

### STUDENT-ORIENTED NIGHT LIFE

Iowa's campus is set right in the city's downtown area, where you'll find dance clubs, movies, coffeehouses, and restaurants to suit every taste. Live music can be found any night of the week in clubs and restaurants, even outside on warm evenings on the downtown pedestrian mall. Iowa City businesses are convenient and geared toward student tastes and needs.

### CONSIDER THE OPPORTUNITY FOR A QUALITY EDUCATION

A quality education is one of the highest priorities at the University of Iowa. Just over 90 percent of Johnson County residents have graduated from high school, and in Iowa City nearly half of all residents have earned bachelor's degrees. In fact, census statistics indicate Johnson County is the 10th "smartest" county in the nation based on percentage of residents holding bachelor's degrees.

The University of Iowa represents a strong presence in the community while enhancing the quality of life in Iowa City.

Your aspiration may be a career in medicine, law or education. Regardless of the specific career field, it's important to identify the college baseball program that places a high priority on academics and allows you to take full advantage of the tremendous educational opportunities available.

At the University of Iowa, student-athletes learn quickly that academic success is the highest priority.

### ATHLETICS AND ACADEMICS

At The University of Iowa, a strong relationship has been developed between athletics and academics, where coaches and athletes work hand-in-hand with academic deans and professors, assuring the student-athlete the best possible opportunities to excel in the classroom and in athletics.

From the first visit for any prospective student-athlete, to the completion of their academic and athletic career at Iowa, academic personnel play a large role in the career of Hawkeye student-athletes. Beginning with the on-campus visits, student-athletes are introduced to professors in their selected field of study, and are able to establish a relationship and develop an understanding of the academic setting in which they will be involved.

When a student-athlete considers her future, she should consider prospects beyond volleyball. She should consider where she wants to be five, ten, fifteen years from today, and the best course of action for getting there. Also, she should decide early on to commit to something in every college sport she plays.

Without a doubt, the men and women listed here took time to consider their future and the ways to get there. These former University of Iowa undergraduates have gone on to become leaders in their chosen fields. They also pursued their academic studies as strongly as the Iowa Hawkeyes go after a loose ball or rebound.
